

Possible actions by volunteers wishing to contribute to the mission of the CANSEARCH Foundation

- ◆ Organize a "CANDO", a sporting challenge or any other type of event to raise funds for the cause and / or simply to talk about the Foundation. For inspiration, you will find many examples of "CANDO" on our website: <https://cansearch.ch/agir/activites/>
 - ◆ Convince the management of a company to do something for CANSEARCH that would also involve and raise the awareness of its employees (thus integrating team building). In this respect, you can refer to our corporate flyer, which explains the motivations to put forward for the company and the added value of its actions.
 - ◆ Commit to the Foundation on a voluntary basis for various tasks. Perhaps you have the skills to do that could be useful for our operational component. The details of these tasks would be defined together during a meeting.
- ⇒ Knowledge / skills in the following areas:
- Graphic design (e-newsletters, promotional documents)
 - Communication (especially digital)
 - Translation (French, English, German)
 - Production of short video-photo reports
- ◆ Talk about CANSEARCH within your network and broaden the Foundation's profile with new audiences, giving others the idea of becoming a donor or activist for the cause.

Thank you in advance for your support to CANSEARCH!

We are at your disposal to discuss with you any task you could perform to help us. We also ask that you notify us before taking any action, no matter how positive.
